Software

BenQ MultiTouch
Version : 1.0
OS : Windows 7 and above

⬇ DOWNLOAD   🔒 GET LICENSE KEY

SAP Digital Boardroom transforms executive meetings from one-way presentations based on static media to interactive discussions based on real-time facts. Built on SAP Business Objects Cloud, the SAP Digital Boardroom integrates with SAP S/4HANA Lines of Business data, as well as other applications and data sources, to provide a single source of truth about a company's most important business metrics to monitor, simulate, and drive change in the digital economy.

Configure three screens -Turn three external screens into one big display.
