

Prepare Your Class with Great Efficiency

QTouch: Prepare Your Class With Great Efficiency

Enhance efficiency for class preparation with QTouch annotation software. With diverse Windows compatible teaching templates for various subjects, QTouch allows you to design teaching materials right on PC at anytime. By connecting your PC to the RP Series, you can soon engage students with customized content. To further enhance on-screen collaboration, QTouch provides various annotation tools with multi-touch support to co-create various documents with students.

Things to love

Features 

- Free teaching templates available for various teaching scenarios
- Windows compatibility allows you to design teaching materials right on your PC
- Activate Annotation mode to create notes with various tools over files on PC
- Annotation recording for easy sharing and later lecture review
